

2018 WALK-FLOAT-SWIM FUNDRAISER

Hello Camper!

This is Clayton Fenter. You might know me better as “that guy who spends time with us at Camp - the one who wears a bandana on his head so his bald head doesn’t get burned!” (I also hand out those neat prizes for doing laps during the week!)

Let’s do this Event again!

This year we are having the 8th Annual, “WALK-FLOAT-SWIM FUNDRAISER!!”

During the week at camp, you have the opportunity to walk, float, and/or swim laps in the **pool or on land** to raise funds for the BIA-Missouri organization, for future Camp Scholarships, AND, you get some great exercise too!

Now, in addition to getting great exercise and having fun, you can raise funds! The idea is to get your family, neighbors and friends (Facebook friends too) to sign up to support you. Bring your application to camp with you, and we will post your results each day at camp. AND, there will be daily and end of the week prizes awarded for the most laps completed. **Everyone who enters the event has several chances at winning prizes! The prizes are really cool! You may recall seeing them last year!**

Remember - you can choose to walk, float and/or swim laps in the **pool or on land**. You will always have someone from the camp or swim staff helping you too! Soooo, get with it!

See the next page for Instructions! (Bring that form to camp)

Please call the Brain Injury Association of Missouri if you have any additional questions.
SEE YOU AT CAMP!!!
