WELCOME

The Brain Injury Association of Missouri

The Mission of the Brain Injury Association of Missouri (BIA-MO) is to reduce the incidence of brain injury; to promote acceptance, independence and productivity of persons with brain injury; and to support their families and the community.

This Mission is accomplished through programs of education, support, recreation and advocacy.

Educational programs are offered for professionals, survivors of brain injury and their families, as well as the community.

Support is offered through Information and Referral Services, support groups, programming and more.

Recreational activities include the Donald Danforth Jr. Wilderness Camp, which is a weeklong organized outdoor activity for adults who have survived a brain injury. Additional activities include holiday celebrations, sporting games, picnics, theater shows and other social events.

Advocacy efforts focus on the prevention of brain injuries and access to services for persons living with brain injury.

2019 Conference Overview

The Brain Injury Association of Missouri 15th Annual Statewide Conference features national and regional experts sharing current research, cutting-edge therapeutic strategies, and best practice treatment. This is the only conference in Missouri established to specifically address issues relating to brain injury.

This Conference is the premier educational opportunity for healthcare, rehabilitation, vocational, residential, and community support professionals. They will gain knowledge and further develop skills in providing care for individuals who have sustained a brain injury.

Sessions held on Thursday, October 3 and Friday, October 4 will be of most interest to professionals who work on a regular or periodic basis with survivors of brain injury.

These professional sessions will focus on rehabilitation, medical care, mental health, relationships, community involvement and personal care for survivors of brain injury in rural and urban communities. This education for professionals can lead to enhanced opportunities for survivors of mild, moderate or severe brain injuries to live a quality life.

On Saturday, October 5, information will be most applicable to persons with brain injury and their families. This BIA-MO Survivor and Family Seminar offers practical suggestions for life with brain injury and will be free-of-charge for survivors and their families.

Saturday, October 5 will also feature the Awards Luncheon and Annual Meeting.

*The Mission of the Brain Injury Association of Missouri is to reduce the incidence of brain injury;
to promote acceptance, independence and productivity of persons with brain injury;
and to support their families and the community.*

CONFERENCE FEATURES

Exhibit Hall

Service providers, government agencies and non-profit organizations will be available to discuss how their programs and services can be of service to you, your clients, consumers, individuals with brain injury and family members. The Exhibit Hall opens at 9:30 a.m. on Thursday, October 3 and will remain open throughout the Conference.

Don't miss this opportunity to network and visit with vendors!

Awards Luncheon and Annual Meeting

On Saturday, October 5, the Brain Injury Association of Missouri will present the BIA-MO Annual Awards to key supporters, volunteers, and survivors for their efforts in creating a better future for individuals with brain injury and their families. Recipients of the Griggs Injury Law Educational Scholarship, SSM Health Rehabilitation Network Educational Scholarship, and Jim and Lori Winter Educational Scholarship will be acknowledged. This celebration is free to attend and will also include the BIA-MO Annual Meeting.

Conference Raffle

Items will be raffled on Friday afternoon to the professional attendees of the *BIA-MO 15th Annual Statewide Conference*. Raffle tickets will be sold throughout the Conference in the Exhibit Hall. Raffle proceeds support BIA-MO programs and services.

A second Raffle will be held on Saturday as part of the Survivor and Family Seminar.

Donation of a basket, certificate or item for Conference Raffles

Please send your donation to BIA-MO, 2265 Schuetz Road, Saint Louis, MO 63146. If you prefer to bring the pre-assembled raffle basket with you to the Conference, contact BIA-MO at Conference@biamo.org. Thank you for your donation.

Hotel Accommodations

The Marriott St. Louis West is offering a special rate of \$118 per night during the BIA-MO Conference. This discount is available October 2 - 6, 2019. Coupons for 25 percent off breakfast at the Blue Fire Grille, located within the hotel, will be provided to registered hotel guests upon check-in. The discounted cost for breakfast will be around \$12.00 per person and can be paid at the restaurant or charged to your room for payment at checkout. You must mention the BIA-MO Conference when making your room reservation to receive this special rate.

The Marriott St. Louis West is a full-service hotel with spacious and modern rooms. All suites are fully equipped with television and cable, mini-fridge, coffee maker, Wi-Fi internet access and a well lit work space. Guests are treated to an on-site indoor pool, fully equipped fitness center, scenic jogging trails, and ample garage or surface lot parking. Just a short distance from the Marriott St. Louis West, you can explore one-of-a-kind shops, sample local cuisine, play Top Golf, or visit a museum.

To make your reservation, call the Marriott St. Louis West **before Friday, September 13, 2019** at [1.800.352.1175](tel:1.800.352.1175) or [314.878.2747](tel:314.878.2747). After the September 13 deadline date, room availability and special rates are not guaranteed.

CONFERENCE INFORMATION

AWARD NOMINATIONS

Each year the Brain Injury Association of Missouri (BIA-MO) honors individuals and organizations that have made an outstanding contribution in the brain injury community.

The BIA-MO Annual Awards 2019 will be presented at the Awards Luncheon and Annual Meeting on Saturday, October 5 at the *Brain Injury Association of Missouri 15th Annual Statewide Conference*.

Please nominate individuals, a group of individuals, companies or organizations you feel are deserving of a BIA-MO Award.

Courage Award

Honors the success of an individual with brain injury.

Bill Buell Memorial Award

Honors a Vocational Rehabilitation Counselor or Case Manager who has provided outstanding service to the brain injury community within or outside of his or her employment responsibilities.

Point of Light Award

Honors an individual who has provided outstanding service to persons with brain injury. Nominations must be made by an individual with brain injury.

Volunteer of the Year

Honors an individual who has furthered the Mission of the Brain Injury Association of Missouri through his or her volunteer service with the organization.

Legislator of the Year

Honors an elected official representing citizens of Missouri who has supported the prevention of brain injuries, services for survivors of brain injury or their families, or supported issues important to the brain injury community.

Service Excellence Award — Community Service

Honors an individual or organization for exceptional service within the brain injury community.

Service Excellence Award — Fundraising

Honors an individual or organization for efforts to generate financial support for services of BIA-MO.

Service Excellence Award — Prevention

Honors an individual or organization for lasting contributions in brain injury prevention.

Service Excellence Award — Public Relations

Honors an individual or organization for outreach and educational efforts that have increased awareness of brain injury, needs within the brain injury community, and the Brain Injury Association of Missouri.

Lifetime Achievement Award

Honors an individual or organization for significant contributions and long-term impact to the brain injury community.

- **Nomination deadline is September 15, 2019. Nomination forms can be printed or completed electronically at www.biamo.org/services.**
- **For each nomination, please provide the name and contact information for the nominee, your name and contact information, and a 500 word or less statement of why you feel the person is deserving of the award and how the brain injury community has benefited from his or her efforts.**
- **For more information, please contact BIA-MO at 1.800.444.6443 or 314.426.4024.**

KEYNOTE SPEAKERS

David R. Strother, LSCSW/LCSW, CCTP

Director of Military Services, Valor Recovery Program
Signature Psychiatric Hospital - North Kansas City, MO

David R. Strother is a licensed clinical social worker and the Director of Military Services for Signature Psychiatric Hospital. He is the creator and lead clinician for the Valor Recovery Program, which is a 28-day intensive treatment program for Active Duty Military, Veterans and First Responders.

David honorably served in the United States Marine Corps, where he was deployed to Afghanistan in support of Operation Enduring Freedom. Once discharged from the military, he pursued a degree in Social Psychology from Park University and earned his Masters of Social Welfare from the University of Kansas. David has also had a career as a fire fighter/EMT for the city of Lee's Summit, Missouri for five years.

David is a trauma psychotherapist who specializes in working with PTSD and other stress and trauma related disorders.

He will present "Trauma and the Brain: A Psychological and Physiological Perspective" at the Brain Injury Association of Missouri 15th Annual Statewide Conference.

Mark J. Ashley, ScD, CCC-SLP, CCM, CBIST

Founder and Chief Executive Officer
Centre for Neuro Skills - Bakersfield, CA

Mark J. Ashley, ScD, CCC-SLP, CCM, CBIST is the Founder and Chief Executive Officer of Centre for Neuro Skills (CNS), which offers post acute brain injury rehabilitation programs in six US cities. He is a licensed Speech-Language Pathologist and Certified Case Manager in California and Texas. Dr. Ashley is a graduate of Southern Illinois University in Carbondale, Illinois, where he received his Masters Degree in Speech Pathology and Doctorate of Science.

Dr. Ashley serves on the Board of Directors of the Brain Injury Association of America (BIAA) in the position of Chairman Emeritus. He contributes to the Advisory Panel of BIAA's project for the development of "Guidelines for the Rehabilitation and Disease Management of Adults with Moderate to Severe Traumatic Brain Injury."

Dr. Ashley's work has been published in many professional and research publications. He has written four books and numerous papers on issues pertaining to traumatic brain injury.

During the Brain Injury Association of Missouri Conference, Dr. Ashley will present "Neurophysiological Optimization: Life and Neurological Health After TBI."

SURVIVOR KEYNOTE

Erica Renee Walker

Survivor of Brain Injury

Author, “Through the Lens: A Book of Short Stories”

Erica R. Walker is a survivor of brain injury, author and St. Louis filmmaker. At 21 years old, she survived a gunshot wound to the head. The bullet that entered her skull shattered into pieces, severely damaging her brain and vocal cords. She was rushed to Saint Louis University Hospital, where she underwent brain surgery. That would be just the first of Erica’s many medical procedures and hospital nights.

Since her brain injury, Erica has graduated from college twice - once with an Associates Degree in Communications from the University of Phoenix, and again with a Bachelors Degree in Media Studies from the University of Missouri - St. Louis.

Erica is an active speaker for brain injury awareness, member of her local church, and volunteer with STL TV. She is the author of a book of short stories for teenagers and young adults called, “Through the Lens: A Book of Short Stories.”

CEUs Available

- Case Management
- Occupational Therapy
- Rehabilitation Services
- Clinical Social Work
- Physical Therapy
- Speech-Language Pathology
- Nursing
- Psychology
- Vocational Counseling

Sign-in upon arrival, and sign-out at departure - both Thursday and Friday - at the CEU Table in the Conference Foyer to receive credit. Certificates will only be distributed at the conclusion of each day, for that day’s sessions.
